

Social Capital

By Vivekananda Kendra - Nardep

Building a Social Capital alone will ensure the sustainability of the Green Rameswaram project. Vivekananda Kendra is trying to bring all the stakeholders including Schools, Colleges, Institutions, Local stakeholders such as traders, hoteliers, auto and taxi drivers, line departments as well as pilgrims coming from all over India to work for 'Green Rameswaram' project. In fact, it is not a project but a movement which should culminate in Swatch Bharat.
