Sapling Distribution Function

On September 5, 2018 Green Rameswaram Team organized a function of sapling distribution function with the support of our partner Dr.A.P.J. Abdul Kalam International Foundation. The function was held at our Green School - Sri Parvathavarthini Amman Girls Higher Secondary School, Rameswaram.

The programme started with the Prayer by the students. Smt.Kamala, Headmistress welcomed the gathering.

Shri.Sridhar, Coordinator of Green Rameswaram explained the purpose of the programme. He gave the background of Kalam Tree growers club and initiatives taken by Shri.Sakti followed by Ms.Vigneshwari to take up the activity of Planting saplings. Subsequently APJ Abdul Kalam International Foundation gave 250 saplings free of cost to the students.

Shri.Saleem, Trustee of Dr.APJ. Abdul Kalam International Foundation presided over the function and shared the vision of Dr.Kalam in planting saplings. He appreciated the students for taking such initiative and hoped that all the planted saplings will become trees by proper care by the individuals.

Smt.Mangayarkarasi, Joint Commissioner, HR&CE, Sri Ramanathasamy Temple delivered a special address on the occasion of Teachers Day and explained the importance of greening Rameswaram

Selvi. Saraswathi, Green Rameswaram gave a resource lecture of how to grow plants and maintenance of the same to the students.

Ms.Vigneshwari, XII std who spear headed the Kalam Tree Growers club also gave a speech on the occasion and assured that the students will grow the plants and set an example to others.

Ms.Gopilakshmi, Green school Coordinator thanked all the participants.
