Palm Seeds Distribution at Thangatchimadam, Pamban, vadakadu and Ramakrishnapuram

Horticulture department has given 10000 palm seeds for planting in Rameswaram. Palm Seeds has been given to the following locations

- i. Thangatchimadam – 500 seeds
- ii. Pamban – 500 seeds
- iii. Vadakadu – 500 seeds
- iv. Ramakrishnapuram – 500
- v. Saathankulam – 250

We have another 7750 seeds pending with us. We have a bigger plan of planting 5000 seeds in Dhanushkodi area with the support of Rameswaram Municipality. Last year we have

planted 10000 seeds in Dhanushkodi and surrounding area and we did a status survey in the area and around 40% of the seeds planted have got the germination and succeeded in growing to the desired level. Few snaps are shown below:

Last year planted palm tree

Beautifying Rameswaram Taluk office

Rameswaram Taluk Office was beautified by Green Rameswaram Team. Shri.Abdul Jabbar, Tahsildhar has a special interest over greening Rameswaram. Hence he invited Green Rameswaram team and participated in the Greening activities by planting 25 saplings in the venue

Greening work done by Green Rameswaram volunteers
