Water User Groups of Hand in Hand India

Since the project of Water Security is getting completed in the month of April 2021, Hand in Hand India team organised a meeting with the user committee of RO Water Plants installed in Rameswaram (10 nos). They have introduced the User committee to the Green Rameswaram team and they took over the proceedings and discussed about the possibilities of promoting a federation in the form of a Trust to support this user committees and to strengthen the water security activities of Green Rameswaram. Meeting took place on 22 April 2021.

WASH Project

WASH Project run by Gandhigram Trust was handed over to the Green Rameswaram Trust after its completion in April 2021. Green Rameswaram team made visits as follows:

<i>School</i>	<i>Date of visit</i>	<i>Conditions</i>
Higher Secondary School Thangatchimadam	23 April 2021	Toilet good condition, RWH
Primary school Thangatchimadam	23 April 2021	Toilet Good Condition
Higher Secondary School Pamban	16 April 2021	Toilet – Good condition
Mandapam Panchayat union school, Gandhinagar	15 April 2021	Good condition
Mandapam Panchayat union school, Singarathoppu	15 April 2021	Good condition
Vadakadu Primary school	21 April 2021	Bad condition

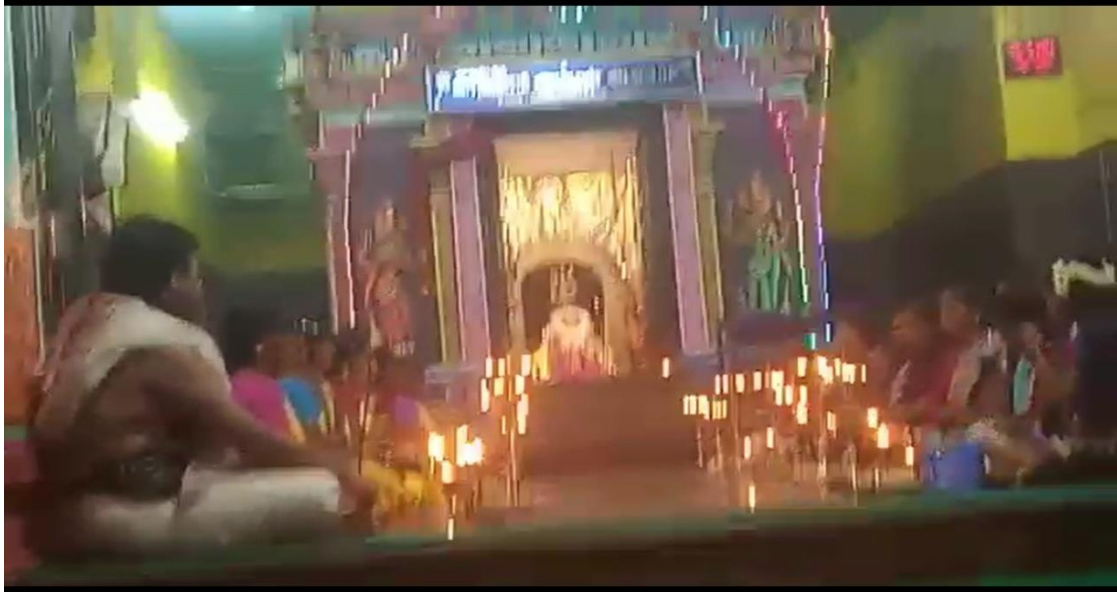

Green Rameswaram team has to work out the strategy to sustain the activities through WASH committees formed earlier in the 36 schools in the coming months.
