

Solid Waste Management

By
Hand in Hand Inclusive Development and Services, Chennai

Health Screening

Due to COVID-19 pandemic, health screening of 144 Green Friends and field staff has been made mandatory in the MSWM project on Mondays and Thursdays every week. Team members' body temperature, pulse and oxygen level are monitored using Infrared Thermometer and Pulse Oximeter. This practice ensures presence of healthy people in daily MSWM operations.

Door-to-Door waste collection

Door-to-Door waste collection was conducted on a daily basis by Green Friends in the Municipality during the entire month.

Source Segregation Demonstration

Six Source Segregation Demonstration programmes were conducted in the Municipality. viz. Ward no: 20-Maravar Street (08thJanuary), Ward no: 13-Lakshmana Theertham (10thJanuary), Ward no: 12-Murungaivadi (22ndJanuary), Ward no: 14-Kaatu Pillaiyar Koil (24thJanuary), Ward no: 05-Indira Nagar (27thJanuary), and Ward no: 15-Bharathi Nagar (28thJanuary).

A total of 35 households were trained on waste types and segregation of waste at source through these programmes.

‘A Message A Day’ programme

COVID-19 sensitization programmes were conducted in the Municipality to create awareness on COVID-19 pandemic. In this unique programme, one message every day on the precautionary measures was disseminated in the community.
