Sensitized 1400 households about waste management and the importance of segregating waste at its source are crucial for fostering a cleaner environment and ensuring a sustainable future.

### **Mass Cleaning**

Mass cleaning was conducted in the MCC Bus Stand area on 4<sup>th</sup> April 2024. Collaborating with both municipality workers and the HHIDS project team from Rameswaram has addressed the sanitation issues.

### **Swachh Bharat Mission (SBM) Director's Visit:**

Shri. Vinod Kumar's visit on 5<sup>th</sup> April 2024, to inspect the solid waste management activities seems like a significant event. With him were the regional engineer from Madurai, the municipal commissioner, and the sanitary officer and inspector for monitoring the effectiveness of waste management practices and ensuring compliance with regulations

Shri. Vinod and team have been recognized and appreciated for our wonderful efforts in solid waste management. Making progress in waste management not only benefits the environment but also contributes to creating healthier and more sustainable communities.
