

Renovation of Traditional Water bodies (Teerthams)

By
Vivekananda Kendra – Nardep

Revival and Renovation of Virega Teertham

City Union Bank, Kumbakonam have given grant under CSR to clean the Virega Traditional water body. Vivekananda Kendra – Nardep took up the work of renovation in March, 2017. The work will complete in the month of April.

Site of the Virega water body after cleaning Odai trees and excavating the area

Work in progress – arranging stones, sand and potable water for construction etc.

Pumping the water for constructing the bed

Shri.Kadiresan, Supervisor at site inspecting the work

Huge concrete blocks brought from the nearby site to strengthen the structure

Construction of side wall is in progress ...

Work of side steps and retaining wall is on ...
