

## Solid Waste Management

By  
Hand in Hand Inclusive Development and Services, Chennai

### A Message A Day Programme

Sensitization programmes were conducted in the Municipality to create awareness on COVID-19 pandemic particularly on the second wave and the symptoms associated with it. In this unique programme, one message every day on the precautionary measures was disseminated to the community.

### Door-to-Door Collection and Garbage Segregation

Irrespective of the number of Covid cases shooting up, green friends continued to serve the community to ensure the cleanliness of Municipality. Door-to-Door waste collection and segregation carried out uninterruptedly.

### **Source Segregation Demo Programme**

On 10<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, 22<sup>nd</sup>, 28<sup>th</sup> of June, we conducted Source Segregation Demo Programme at Laxmana Theertham (Ward – 13), Murungaivadi (Ward – 12), Vitti Pillai Mudukku Street (Ward – 21), Market Street (Ward – 3), Bharathi Nagar(Ward – 15), Maravar Street (Ward - 20). During the programme, HHIDS Staff and green friends briefed about the types of wastes, segregation of waste, importance and benefits of recycling to the public of each ward and gave alive demonstration of waste segregation. Around 35 members from the public participated in the programme and took benefit.

### **Cleaning activities in containment zones and main road**

During 2<sup>nd</sup> Wave of COVID-19 Pandemic situation, our green friends and staff performed various sanitary activities in Containment Zone, Main Road and Govt. Offices.

## Special initiative for World Environmental Day

On the occasion of World Environment Day during June 5, 2021 a campaign Plant Oxygen Challenge was launched in line with this years' themeline "Ecosystem Restoration".

At Rameswaram Municipality, Municipal commissioner, Mr.V.Ramar initiated the **Plant Oxygen Challenge** campaign by planting saplings in various locations of Rameswaram. The campaign has targeted to plant around 100 saplings. We have planted around 35 saplings during this month.

## RRP & MCC Activities

Solid Waste Management activities like organic shredding work, Bio-composting and Vermi-Composting are carried out at the Resource Recovery Park & Micro Composting Centre.
