

Landscaping and Beautification

By
Green Rameswaram Trust

National Botanical Research Institute from Lucknow is creating flori parks in Government Institutions. We have collaborated with them and facilitated the establishment of Nandavanam in Sri Ramanathaswamy Temple, Rameswaram. Another two places shortlisted for the park establishment is Kendriya Vidyalaya, Mandapam and Sri Parvathavarthini Amman Girls Higher Secondary School.

From January 15 to January 18 2025 works for establishing the park were completed. On 24 January 2025 Shri. CJ Rao, HOD of NBRI Lucknow visited Rameswaram and inaugurated the parks at Kendriya Vidyalaya, Mandapam and SPGHS at Rameswaram. He also visited our Green Rameswaram project office.

Shri. CJ Rao along with students at Kendriya Vidyalaya, Mandapam

At Sri Parvathavarthini Amman Girls Higher Secondary School

Kendriya Vidyalaya, Mandapam honoured the scientist from NBRI. Shri.Sridhar of Green Rameswaram project presenting a shawl
