3. Anandalaya

We have launched a new initiative aimed at improving the academic and personal growth of rural and underprivileged children. The programme adopts a holistic approach to learning that nurtures four key dimensions of child development:

- **Shiksha (Education):** Building strong academic foundations and fostering curiosity for lifelong learning.
- **Samskara (Values):** Instilling cultural, moral, and social values to shape responsible citizens.
- **Swasthya (Health):** Promoting physical well-being, nutrition, and healthy lifestyle practices.
- **Swabhiman (Self-Esteem):** Enhancing confidence, dignity, and self-worth to empower children for the future.

In the month of August, 14 Anandalaya Centers were started, benefiting a total of 216 students. During this period, visits were made to all the centers to monitor the progress and encourage the activities being carried out.
