

Landscaping and Beautification

By
Green Rameswaram Trust

Flower Plants Plantation at Vallabhacharya Mutt:

As part of the environmental activities, 20 flower plants were planted at Vallabhacharya Mutt with the active participation of volunteers. The initiative aims to enhance the greenery and natural beauty of the sacred premises while creating a pleasant, eco-friendly atmosphere for devotees and visitors.

Greening Vallabhacharya Mutt near Ramar Teertham

Plantation at Parvathavarthini School:

On 10 August 2026, 20 flower plants were planted at Shri Parvathavarthini School as part of the ongoing environmental initiatives. The activity aimed to enhance campus greenery while encouraging students to develop awareness, responsibility and care for nature.

Young Hands, Blooming Future
