By
Green Rameswaram Trust

Training programme:

On 28 August 2026, a training programme on kitchen gardening was conducted, with six participants attending. The session covered:

- Selecting appropriate gardening tools
- Safe and effective use of sprayers for natural pesticides
- Soil care, seed selection and plant maintenance
- Eco-friendly practices for productive and sustainable kitchen gardens

Kitchen garden kits were distributed to all participants at the end of the training.

Training session conducted by Sis.Rekha
