Flower Plants Plantation Programme:

On 14 October 2026, Green Rameswaram organised a flower plant plantation programme at Panchayat Union Primary School, Rameswaram. A total of 20 flower plants were planted on the school premises to create a green and beautiful environment for students. The initiative aimed to promote environmental awareness among students and encourage them to develop a love for nature. Through this activity, students were inspired to understand the importance of planting trees, protecting plants, and maintaining a clean and green environment.

Every Plant Counts, Every Green Moment Matters!

On 10 October 2026, Green Rameswaram organised a flower plant plantation programme at Saraswathi Vidyalaya School, Rameswaram. A total of 25 flower plants were planted on the school premises to create a greener, cleaner, and more beautiful learning environment. The initiative aimed to promote environmental awareness among students and encourage them to develop a sense of responsibility towards nature. Students were motivated to care for plants, protect the environment, and understand the importance of greenery in our daily lives.
